

Beach Street RESTAURANTS

We wanted to write a message at this difficult time to all our regulars across our three sites – 81 Beach Street, The Coastguard & The Granville. We are in very uncertain times and are nervous about what the future holds. However, we want to thank you for your continued support and update you on where we are with the current situation.

We are still open, and it is very much business as usual, please be assured that we are constantly following, monitoring and adhering to all the Government guidelines and advice regarding the COVID-19/Coronavirus outbreak.

The safety of our guests and team members is our main priority. As a business, we're cancelling all internal face to face meetings & training sessions that are not essential. We are continuously updating our teams on all the latest guidelines from the Government.

Cleanliness is always a high priority for our sites and as you can imagine it has never been more important than in this current situation. We are paying increased attention to surfaces that are commonly touched – such as door handles, card machines, salt & pepper sellers, sauce bottles etc. There are hand sanitizers & tissues in as many areas as possible. Please can we remind you to help with this by following all guidelines around hand-washing, sanitizer gels, using tissues and throwing them away.

We appreciate that some of you will be feeling nervous about coming out at the moment, if you have a reservation and would like to cancel/postpone it we do fully understand. We just ask that you call the sites to let us know.

If you have a preference for where you would like to sit in any of our restaurants, please call and we will do our best to seat you there.

We're also looking into offering a form of 'take-away' at the moment. For now, if you would like to order food but not eat it in the restaurant – we are happy to fill your own Tupperware pots for you to take the food back home. Please do call us and we can talk through this option with what is available.

Once again please be assured we are doing everything we can to help fight this virus. We really do appreciate your support and believe that working together we will beat it!

Please keep an eye on our website and social media pages for any changes to our circumstances but for now, we are very much open and would love to see you.

Please keep safe.

Best wishes,
The 81, Coastguard & The Granville Team
